(v) Institutional set-up for liquidity risk management:

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business. The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk.

The Board of Directors approved the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company. The meetings of RMC (Board) are held at quarterly interval and more frequently as warranted from time to time. Further, the Board of Directors also approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk return perspective and within the risk appetite approved by the Board.

The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset-liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board. ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held once in a month.

vi) Liquidity Coverage Ratio

	As at Dec, 2024
Liquidity Coverage Ratio	92.83%*

*The LCR has been less than the prescribed level of 100%. However the company had sufficient liquidity in form of Fixed Deposit with the Banks which is not considered as HQLA. The company had placed the adequate liquidity in TBills by which the company will comply with the LCR requirements for Q4 FY 25. The LCR for Q4 upto Feb 2025 is 179.98% based on the draft number.
